LASKASAS®

NOT *ANOTHER*
***RED* EDITION**

THIS IS NOT ANOTHER EDITION,
this is Laskasas' most wanderlust-inspiring collection so far.

**AS A GLOBAL BRAND, THAT
EMBRACES ALL 7 CONTINENTS
OF THE WORLD, WE AIMED TO
REFLECT THAT IN THIS SPECIAL
COLLECTION.**

Each piece included in this collection was named after an iconic region of the world, representing it.

The lookbooks in which the pieces are presented are named after some of the most remarkable landmarks found at these locations, ranging from temples to historical buildings and plazas. We hope these lookbooks inspire you as much as these unique places inspired us.

This collection is **Not Another Edition** since it symbolizes our pledge to take over homes all around the world. From Cairo to Montreal, from Munique to Malé, you name it. We'll be there, designing purposeful connections between people and their homes; designers and their projects; you and us.

The items that are part of this collection (like all of our furniture and decor pieces) are fully customizable to fit your vision and needs.

Every city you visit is different, and so is every interior design project you work on.

**LET'S
CELEBRATE**
cultural and scenic
diversity together with
Not Another Edition.

KABAKA'S HOME OFFICE

Kabaka's home office was named after a royal palace, and its details inspire just the same greatness. The mix of marble, high-quality fabrics and the wooden table come together just right, creating the perfect balance in the space. A place to hold important meetings and to do great work.
